We believe in: clean water
wilderness wildlife

Dear Friends of Savary Island,
Thanks to all of you who have signed the petition to preserve DL 1375 (“the Trillium lands”). So far we have 222 signatures. More are needed. SILT has recently learned that the Sahlin’s have submitted an application to subdivide DL 1375. Let’s show a strong voice in favour of Saving Savary! Please take a moment for Savary and sign the petition. Please forward this message as a reminder and request to all of your Savary contacts, family and friends.

If you have not signed yet, please sign by Saturday Oct 30 at
